could it be focuses on twelve biblical passages most of them have been denigrated or disregarded either by those who want nothing to do with organized religion or by others who claim to be genuinely christian the author reclaims those discarded gems proclaims those stories as relevent countermands erroneous interpretations and counteracts the results of misinformation about their meaning and purpose the book is designed to stir the status quo and begins the stirring process by reexamining old passages from a new approad its author believes the only road leading to intellectual and sprirtual growth runs through the crowded and musty city of old ideas and winds through the treacherous valley of new possibilities that is the basic outline for every chapter in this book each chapter identifies problematical interpretations of some ingrained religious ideas and offers new possibilities that enrich christian living biblical requirements considered impossible to follow are interpreted as very doable the uppermost question for each reader to keep in mind is could it be this passage is very different than i originally thought throughout the book the author repeatedly affirms god is at work in common places events and things biblical stories about personal deliverance and radical change were frequently facilitated by something quite ordinary what we called a miracle was often an ordinary act for god if that is how god works he regularly offers miracles to everyone not just to special people in special situations these passages about miracles admonitions and probing questions are prototypes of the human condition making them extremely relevant because they are our story too
